BUENA VISTA GENEALOGICAL SOCIETY

https://stormlake.advantage-preservation.com/
This link on the IGS Chapters section goes to this location.

I found links to newspapers from multiple decades. I did not look at the website any more.

The Buena Vista Historical Society has created a Facebook page but I don't see activity.
I have written a message to them asking them if they know of a genealogical society in this county.
I'm awaiting an answer.

Family Search has a page for Buena Vista County and lists these libraries in this county.
