THE SOCIETY

The **Iowa City Genealogical Society (ICGS)** in Johnson County, IA, was founded in 1967 by a group of people interested in tracing their roots and in helping others who wanted to research family history. As the ICGS developed, additional broader objectives evolved to include generally promoting genealogy by preserving and disseminating historical data, acquiring genealogical references, and supporting the Iowa Genealogical Society (IGS) and the State Historical Society of Iowa (SHSI) Research Center in Iowa City.

Please visit the ICGS Facebook page and "Like" us

The Iowa City Genealogical Society is a not-for-profit 501 (c) (3) charitable organization.

MEETINGS

Regular meetings are held on the last Saturday of most months at the Church of Jesus Christ of Latter-day Saints, 2730 Bradford Drive, Iowa City, IA. (Enter through the East door.) There is no meeting in July and the November/ December meeting is the first Saturday of December. Meetings are open to the public and begin at 9:30 a.m. The meetings usually include a presentation on a genealogical topic of general interest.

NEWSLETTER

The ICGS publishes a newsletter ten times a year that is distributed to all members, either electronically or by U.S. mail. The editor invites member input.

LIBRARIES

The ICGS maintains a small portable library of materials available for checkout to members at regular meetings. The SHSI Research Center in Iowa City has the most substantial local genealogical collection. It also houses the archives of the ICGS. Smaller collections are housed in the Iowa City Public Library, the University of Iowa Libraries, and the University of Iowa Law Library. Another useful source is the local LDS Family History Center, 2730 Bradford Drive, where patrons may order records on microfiche and microfilm, and access a number of online research services including Ancestry.com.
