The WCGS was established in 1983. The purpose of the society is to create and foster an interest in genealogy; to gather and preserve genealogical and historical data; to aid individuals in genealogical research; and to establish and maintain a genealogical library through contribution, donation, and exchanges. A newsletter is published quarterly by the society.

Meetings are held the 2nd Monday of each month at 9am in the Grayson Archives

All meetings are open to the public

Volunteers hold work days Monday mornings
